MRC-2

FLOORSTANDING SPEAKER

Power with Grace. The MRC-2 delivers music with a captivating balance of refinement and strength. Its 2 ½-way design, featuring dual seven-inch ceramic drivers, extends bass with authority and impact, while preserving the clarity, openness, and natural flow that define the MRC series.

From delicate passages to dynamic crescendos, the MRC-2 breathes life into every performance. Powerful, expressive, and deeply moving. It is a floorstanding speaker that disappears into the room, leaving only the music and the emotion it was meant to convey.
